

Independent school open days

South West London, Autumn Term 2012

Most schools have open days this term, whilst others like to arrange individual tours. We recommend parents visit schools and register at least 2 years prior to the intended year date entry. Wetherby School in W1 (boys 7-13yrs) is the only prep school that still requires registration at birth. Pembridge Hall, W2 (girls 4-11yrs) also requires registration prior to the 1st birthday. *NB.* Radley School, nr Oxford (boys 13-18yrs) is the only senior boarding school that requires registration at birth and places are allocated on a first-come, first-served basis.

What do we mean by 4+ or 7+? These age groups are the main intake years (ie 7+ means children will start in the year they are 7 turning 8). The equivalent would be Yr3 - or Juniors - in the state sector. Some open days are only relevant for specific year groups. There may be space for children in other year groups so it is always worth asking.
